Great presentation, very fluent and informative !

Dr. Zadeh was well prepared

It was very informative and

Speaker was very familiar with the subject and fluent

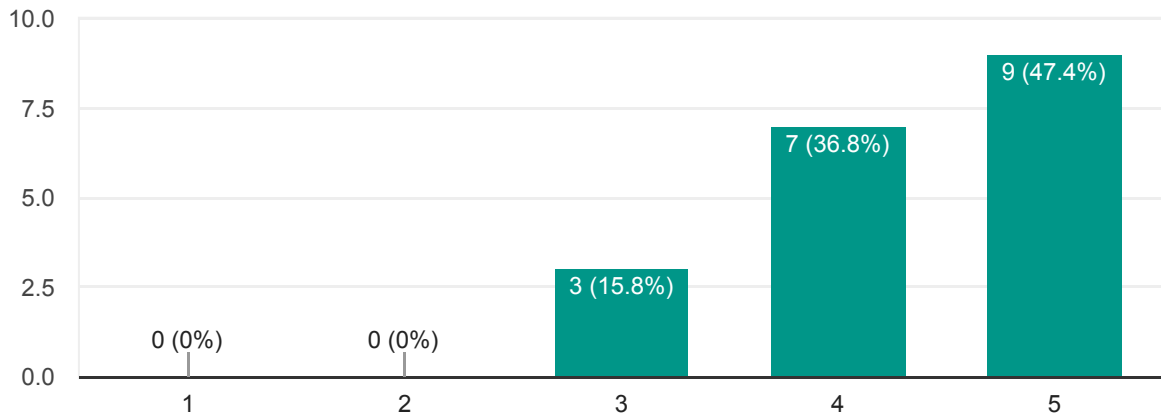

Very good speaker. Most information were outdated. This speech would have been excellent nine months ago.

Good addition to the survey to have the event's detail and poster added here.

Great Speaker

(2) AIAPs Moderator/MC was friendly and did a great job announcing the details of the online program.

Again, great job.

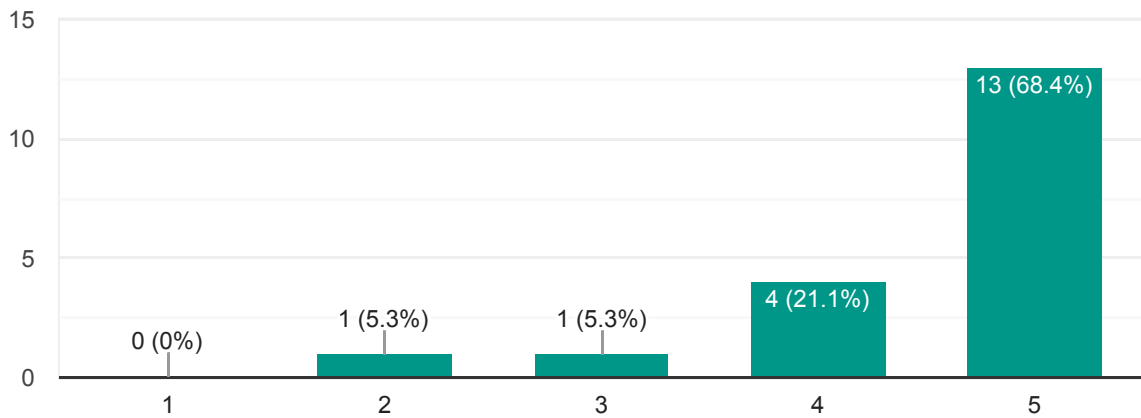

At the beginning the voice of Maryam khanom went up and down.

She was good.

The voice was fluctuating.

(3) AIAPs Virtual General Meetings are now being conducted using Zoom Online Video Application, and are also live on various Social Media (i.e. Facebook, etc.). Please rate your overall satisfaction with AIAP conducting its Virtual Meetings on Zoom.
